

Well hello!

Thank you so much for having me!

I'm handmade with care in The Netherlands and I hope to give you many years of joy and trouble free use.

INSTRUCTIONS FOR USE

1. Release the swing arm of my clockwork by **gently** moving it to the right. It can move freely now.
2. Insert the battery. Be sure to always use an **Alkaline battery** from a high quality brand such as Duracell, Varta, Philips.
3. Drill a hole in the wall with drill nr. 6. (6mm).
4. Push the plug and screw the hook in the drilled hole by hand.
5. Hang the pendulum on the arm of the clockwork.
